

iReady Log In Step by step

Step 1

Go to the **TeachHub** website. You can find this by typing in this address or googling teachhub

<https://www.schools.nyc.gov/learning/digital-learning/applications-and-platforms/teachhub>

The website looks like this

The screenshot shows the TeachHub website homepage. At the top, there is a navigation bar with the NYC Department of Education logo and links for Enrollment, Find a School, Learning, School Life, Get Involved, Calendar, and TeachHub. Below the navigation bar, there is a breadcrumb trail: Home > Learning > Digital Learning > Applications and Platforms > TeachHub. The main heading is "TeachHub". Below the heading is a large image of a laptop displaying the TeachHub interface. To the right of the image is a "Related Links" sidebar with a search bar and several links: TeachHub, One Account, New York Account, MySchool, Support, Google Classroom, Microsoft, Parent User, and Zoom. Below the image, there is a "TeachHub" button with an external link icon. At the bottom, there is a paragraph: "TeachHub is a portal to support students and teachers. The portal provides quick links to essential applications for remote learning, including:"

Step 2

Click on the TeachHub tab to go to the sign in page.

The screenshot shows the TeachHub website homepage, similar to the one in Step 1. However, a large blue arrow points to the "TeachHub" tab in the navigation bar. The breadcrumb trail is: Learning > Digital Learning > Applications and Platforms > TeachHub. The main heading is "chHub". Below the heading is a large image of a laptop displaying the TeachHub interface. To the right of the image is a "Related Links" sidebar with a search bar and several links: TeachHub, One Account, New York Account, MySchool, Support, Google Classroom, Microsoft, Parent User, and Zoom. Below the image, there is a "TeachHub" button with an external link icon. At the bottom, there is a paragraph: "TeachHub is a portal to support students and teachers. The portal provides quick links to essential applications for remote learning, including:"

Step 3

Sign in using **nycstudents** email.

Step 5

One you are in **Clever** application, you will find the iReady application.

After taking the diagnostic, the platform created individualized learning pathways for each child. As your child masters the skill, new skills are added automatically.

For further information about the iready platform click on the link below:
